PRESIDENT ROBAK: Senator Hartnett.

SENATOR HARTNETT: Madam President and members of the body, this is to recognize Bellevue West volleyball team which won the Class A Championship this past year. And Bellevue has won...this is the seventh time that Bellevue West young ladies have won the title; the most titles ever won by any school in any classes, and this is the fifth year in a row that they have won the title. So this is just simply to recognize the Bellevue West volleyball team over the years for their outstanding accomplishments.

PRESIDENT ROBAK: Thank you, Senator Hartnett. Is there any discussion on LR 70? LR 71.

CLERK: LR 71 by Senator Crosby, found on page 491 of the Journal.

PRESIDENT ROBAK: Senator Crosby.

SENATOR CROSBY: Thank you, Madam President and members. It's just a distinct privilege and pleasure for me, a personal pleasure, to bring this resolution to you this morning celebrating the 70th anniversary of the Lincoln Symphony Orchestra. In 1926, seven musically talented men joined together and organized an orchestra, they had 26 men to start with, and they called it the Lincoln Little Symphony. They played at the Oliver Theatre and some of the old theatres and all of them were very talented. A lot of them played in the pit orchestras in the old days when there was vaudeville and so on. So it's a development over the years here in Lincoln of 70 years of continuous performances. They have a unique record. They have never missed a concert. Among symphony orchestras, that's a very difficult thing to maintain sometimes. A big reason for that is the continued support over the years from the Lincoln community and from others in the state of Nebraska. One of their big and fun things that they do are the children's concerts. Elementary school children each year are taken to the concert hall to hear the Lincoln Symphony. They also do middle school concerts and other concerts in...that they over the
